# *President Cureton's Inauguration*

November 5, 1994

On Saturday, November 5, Elmhurst College officially inaugurated Bryant L. Cureton as the twelfth President. President Cureton began as President on July 1. He came to Elmhurst from Hartwick College in Oneonta, New York where he served from 1971-1994 in various positions.

During the week of October 31 through November 5, several activities were held on campus to commemorate the inauguration of President Cureton.

Director of Multicultural Affairs, Richard Hazley, on October 31, conducted a presentation titled, "Elmhurst College and Diversity."

On Tuesday, November 1, Dr. Dean Barclay and Dr. Lance Wilcox, of the English Department conducted a panel presentation called, "Elmhurst College and Its Playwrights."

Wednesday, November 2, Dr. Michael Feldman, Chairperson of the Department of Education, organized a presentation titled, "Elmhurst College and the Satellite Program."

Dr. Ronald Goetz of the Theology Department and

John Weber from the Art Department conducted, "Elmhurst College and the Relationship Between Art and Theology."

Thursday night, November 3 the Elmhurst College Percussion Ensemble performed a wide range of works in Hammerschmidt Memorial Chapel.

On Friday, November 4 Bonnie Boerger, Assistant Professor of Nursing conducted an informative presentation titled, "Elmhurst College and HIV/AIDS

Education."

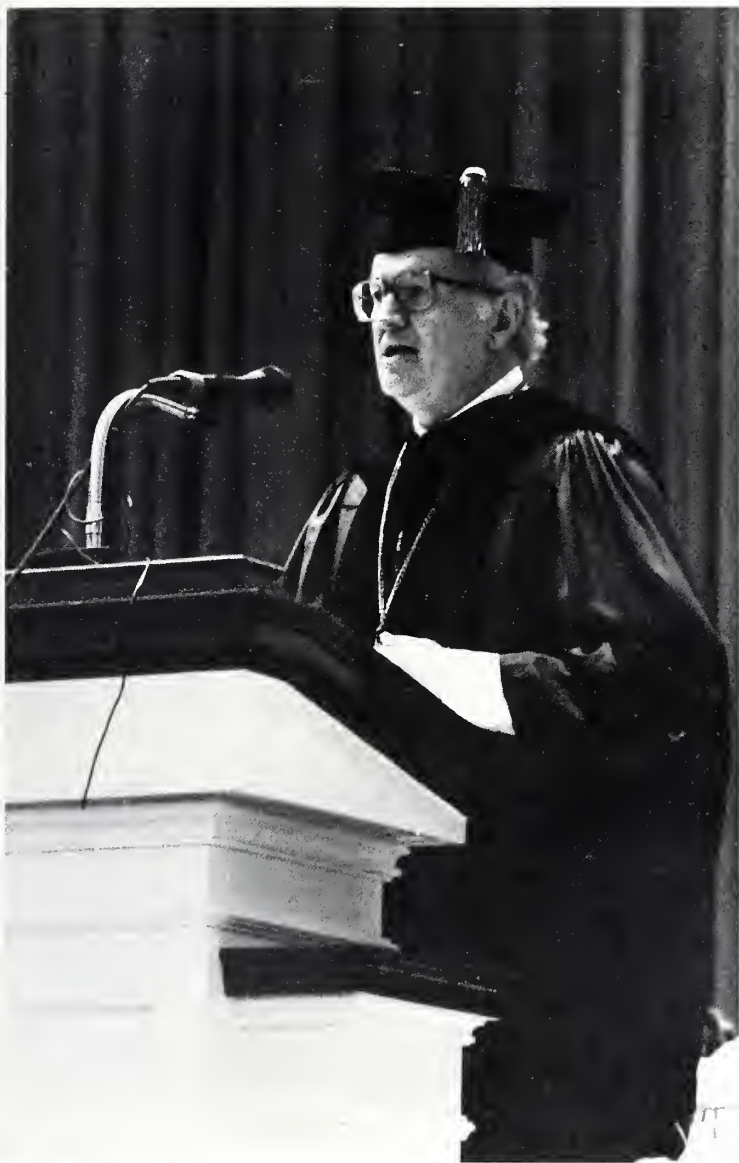

Finally, on Saturday morning, the installation ceremony, reception and campus tours began.

Some of the campus presentations on Saturday afternoon were hosted by Dr. Earl Thompson of the Foreign Language Department, Dennis Nuccio and Dr. Denise Thompson with, "The Cajuns: Their History, Culture, Language and Song."

Sandra Jorgensen from the Art Department presented

"The College Art Collection: A New Look."

Dr. Andrew Prinz, Dolores Giblin and Brian Hosty presented, "College Classes Without Walls."

Dr. Jane Jegerski, Peggy Killian and Dr. Steven A. Monhollen conducted, "Rescuers and their reasons."

Dr. Paul Ries of the Geography Department held a slide presentation called, "Salt Creek Flooding: Then And Now And...?"

Dr. Frank Mittermeyer, the Chairperson of the Department of Biology conducted a presentation called "Space Tomatoes."

Dr. Earl Swallow,

Chairperson of the Department of Physics, conducted, "Symmetry and Asymmetry: Keys to Fundamental Forces of Nature."

Elmhurst College would officially like to welcome President Bryant L. Cureton, his wife Jeanette and family to our College Community.

# ***Faculty / Staff***

---

What would our college education be like without the faculty and staff?? Absolutely nothing. The Elmhurst College faculty and staff are here to serve you, the students. They assist us in our growth and development as young adults. Now, let us take the time to thank them for their hard work. Yes, we do appreciate you!!!

# *Campus Events*

Elmhurst College holds several events throughout the year. These include plays, dances, sports, socials, musical events and many others. There is something for everyone here, whether you're a party animal or a "more cultured individual." Who could forget Orientation to introduce new students to the college and give them a chance to meet each other? Don't have enough money to go to the movie theater? Go see one during one of Elmhurst College's many "Movie Nights." There is also Family Day, Spring Fling, Homecoming week and, almost every night of the week, there is time for socializing within each of the residence halls and the Frick Center.

# *New Student Orientation*

Orientation was a time to get to know fellow classmates, and to familiarize one's self with the campus. Orientation 1994 consisted of various events and activities to get freshmen, newcomers, and upperclassmen to meet each other, while getting to know where everything is at Elmhurst College. Without Orientation, hardly anyone would know each other, and we would have a lot of completely lost people trying to find classes, although they had no idea where to start looking. That, and a few people trying to find the college "mall" so they can buy new clothes. Orientation served to let people get to know each other through fun activities, and letting people know the campus through walking tours. Plus, who could possibly forget the "Jay Play," in which a lot of people get together to do things such as dancing and getting to know everyone. The Activity Fair allowed people to get a head start on joining clubs and organizations. For those who like to dance, there was plenty of that; there was the Orientation Mixer (three hours of music and dancing), and Happy Hour. To top it all off, there was a boat ride on Lake Michigan, where people could get to know each other more while enjoying the scenery of the lake. After Orientation, anyone who is still completely lost (or still trying to find that "mall"), obviously missed out on something. Orientation 1994 was the perfect time to meet new people, and to get to know the campus of Elmhurst College.

# Arabian Nights

Homecoming Week 1994

October 11-15, 1994

As we approach October Homecoming rolls around. Homecoming is the first eventful week at Elmhurst College. The theme for 1994 was "Arabian Nights." This year, students were entertained by the talented singing of Late Night Blues, the comedy routine of some Scared Weird Little Guys, and the music of the talented Elmhurst College Jazz Band. Students could make short films in the cafeteria with Fun Flicks. Over in the Mill Theatre, students could view the play "Guys and Dolls." On Friday night students packed the Physical

Education Center to attend the pep rally for the Bluejay football team.

The very next day, the student body of Elmhurst College decorated cars, made floats, showed their school spirit and paraded through the neighborhood surrounding Elmhurst College. Later that afternoon, the Elmhurst College Bluejays defeated Carthage College in an exciting match up.

The 1994 Homecoming festivities concluded on Saturday night with a dinner and dance at Indian Lakes Resort.

# Alcohol Awareness Week

October 23-30, 1994

Above is the graveyard in the College Mall. This sight represented the number of alcohol-related deaths that occurred in a day in Illinois.

Alcohol Awareness Week is a chance to take time out to learn more about the problems and solutions revolving around alcohol usage. To some, alcohol is necessary to party and have a good time. This, however, is not true. This is the reason Elmhurst College recognizes Alcohol Awareness Week.

The goals of Alcohol Awareness Week are to make students conscious of the problems and possible dangers of drinking as well as drinking and driving. During this week, several campus organizations provide alternatives to drinking. Some of the activities during this week were Midnight Madness sponsored by the Men's Basketball team, Schick Hall Council sponsored Rock the U, Union Board brought singing group Picture Perfect to perform in Hammerschmidt Chapel and Neibuhr Hall Council sponsored a Halloween Dance. To finish off the informative week of activities, a game of *Jeopardy* sponsored by Delta Theta Pi was conducted in the cafeteria.

Despite all the fun we had during the week, students were constantly reminded of the dangers of drinking and driving. Located outside The Frick Center, a smashed car served as a constant reminder to us. A graveyard was located in the Mall as another reminder of alcohol abuse.

# Family Day

Family Day allows parents and other relatives the chance to spend some time with their children in the campus environment. Several activities were planned so that parents and students could enjoy spending some time at Elmhurst College together. Included in the activities was a home football game.

# Earth Day Celebration

Every spring, Elmhurst College students take time out to appreciate the environment. A wide range of activities take place on Earth Day. Union Board, the Music Business Association and the Geographical Society worked together to provide these activities for students.

Several musical groups perform in the Mall, people play volleyball, eat food that is served or sometimes stay and talk with friends.

Earth Day is a good chance to go outside when the weather gets nice and a good way to show respect for the environment.

# Elmhurst College Theatre

This is your chance to see your name in lights! The Elmhurst College Theatre brings out the best in everyone. Imagine the chance to play the part of someone completely opposite of yourself. For those who have been there, they can share some great memories. The 1994-1995 school year marks the 25th Anniversary of productions at the Mill Theatre. In honor of this great tradition, the musical Guys and Dolls was performed. Guys and Dolls was the first production ever performed at the Mill Theatre. Congratulations on 25 successful years, and

hopefully 25 more!

The Mill Theatre runs plays throughout the year. Students even get the opportunity to direct plays of their own.

The Mill Theatre and Scene Shop are located one block north of the main campus, in what was formerly a mill work factory and lumber yard (hence the name Mill Theatre). The building contains a 216-seat auditorium, lobby, faculty offices, classrooms, dressing rooms, a stage, light and sound control room, and areas for the construction and storage of scenery and costumes.

# ***Athletics***

---

Elmhurst College is a member of the CCIW (College Conference of Illinois and Wisconsin). They offer all kinds of athletics to get involved in. For instance there is football, volleyball, basketball, baseball, softball, track, cross country, wrestling, golf and tennis. Don't forget the cheerleaders and the pom pon squad!! All offer the chance to get involved!

# Bluejay Football

The 1994 Elmhurst Bluejay football team, led by Head Coach Paul Krohn, will be known as one that fought and clawed for every victory.

Led by a ferocious defense, the Bluejays rebounded from a 28-7 loss to Alma (Michigan) College in their first game to post victories over Illinois Benedictine College (46-13) and North Central College (27-14). Despite a tough 16-14 loss to North Park College on a rainy, mud-soaked field, the Bluejays never gave up hope. They fought a scrappy Carthage College team and came up with a big 17-14 Homecoming victory.

A core of veterans like wide receiver Simeon Henderson meshed with the team's first year players, including tailback

Tom Pagliaro, to give the Bluejays a balanced offensive attack.

Defense was the story of the season. All-American Safety Guy Nardulli was named Division III Co-National Defensive Player of the Week for his 32-yard interception touchdown return versus IBC, and he added a school record 100-yard interception touchdown return versus North Central. Cornerback Rich French flirted with the Elmhurst College record for interceptions. On special teams, Simeon Henderson made Division III history, breaking the record for number of kickoff returns and return yardage, formerly held by Tom Southall of Colorado College between the years of 1981 and 1984.

# *Bluejay Golf*

**Head Coach Chris Ragsdale**

Caution, young men on the links! Spring is here and it's time to hit the golf course and enjoy the Bluejay Golf season.

Returning only two golfers, Head Coach Chris Ragsdale will rely on his freshmen to improve on last spring's 8th place finish in the CCIW.

Joining seniors James Sutherland and Al Schuldt will be a quartet of freshmen. Basketball players Rob Price and Pat Simon will join Jack Daniels and Ryan Schrader in an attempt to boost the Bluejays at the Conference Tournament.

Pitching and defense will key the success of the Bluejays on the diamond, in both men's baseball and women's softball.

Third year Head Coach Clark Jones returns three starting pitchers from last spring's 18-17 team, led by team MVP and All-CCIW Second Team selection Chris Danko. Danko led Bluejay pitchers in 1993 with a 7-2 record while hitting a team-high .361 at the plate.

All-CCIW Second Team selection Mike Fisher (.354) will lead the Bluejay offensive attack along with Mike Burgoni (.316), Peter Pacione (.305) and Drew Ludwig (.297).

In softball, new Head Coach Tom Cole will rely on Jenni McCutcheon, the team's top returning pitcher, to improve upon last spring's 7-28 finish.

Joining McCutcheon on the mound, freshmen Laura Signorile

and Tara Dambman are expected to help bolster the pitching staff.

Returning on offense are catcher Mary Beth Wise, 1B Bridget Boshold and 2B Sara Albert. They hit .533, .304 and .340 in conference play, respectively.

Sitting (left to right): Keith Mecklenburg, Jason Blankenship, Drew Ludwig, Lou Panico, Mike Saksa. Kneeling: Peter Pacione, Mike Hammer, Bob Gillespie, Jay Nagy, Kevin Greene, Pat O'Hara, Larry Gonzalez, Mike Fisher, Brian Biernacki, Mike Burgoni. 3rd row: Asst. Joe Niezgoda, Asst. # Bluejay Basketball

Senior Steve Klebosits attempts a free throw at the Physical Education Center, home of the Bluejays.

The 1994-1995 Elmhurst College men's basketball team is looking to build upon last year's record of 13-12 overall and a 6-8 finish in the College Conference of Illinois and Wisconsin. This year, the Bluejays will return four of five starters and nine lettermen.

Leading the way for the Bluejays are a pair of All-CCIW performers in senior forward Jason Hayes, a second team honoree, and senior guard Grant Dietmeier, a third-team pick and repeat CCIW All-Academic Team selection.

Also returning are starters senior Steve Klebosits,

Most Improved Player in 1993-1994, and sophomore guard Dwayne Carter, voted Best Newcomer in 1993-1994.

Lettermen who are counted upon to play important minutes include senior guard Charles Patrick, junior center Keith Silzer, sophomore forwards Tony Harvey and Kent Jones and sophomore guard Byron Jackson.

New editions to this year's team are senior guard Chris Priebe, a transfer student from DePaul University, and freshman guard/forward Rob Price, the Northwest Herald's Player of the Year in 1993-1994.

The 1994-1995 Bluejay Men's Basketball Team is Chris Backstrom, Mike Beyer, Dwayne Carter, Grant Dietmeyer, Kelvin Grover, Tony Harvey, Jason Hayes, Byron Jackson, Kent Jones, Steve Klebosits, Brian Lyons, Charles Patrick, Rob Price, Chris Priebe, Jeff Schultz, Jamie Schuster, Keith Silzer, Pat Simons and Pete Siotropos.

Kneeling (left to right): Herb Washington, Lonnie Spiedel, Chuck Junirs, Matt McGreal, Darryl Williams. Sitting (left to right): Shon Causey, Colleen Condon, Lisa Rabenhorst, Amy Hodges, Jessica Kies.

1994 was the closing and dawning of two eras in Bluejay Cross Country history. The new era will take its direction from first year Head Coach Bob Schultz. Highly touted for his recruiting success, Elmhurst's Cross Country future looks bright. Running for Coach Schultz will be Junior running phenom Wendy Smith and Freshman Cornell Wright, who must step up and lead the Bluejays into battle with their CCIW foes.

The Championship meet at Rock Island saw the final performance of one of the most talented group of runners to wear the Bluejay uniform. The team was led by Senior Colleen Condon who kept the team in line by lighting the fire

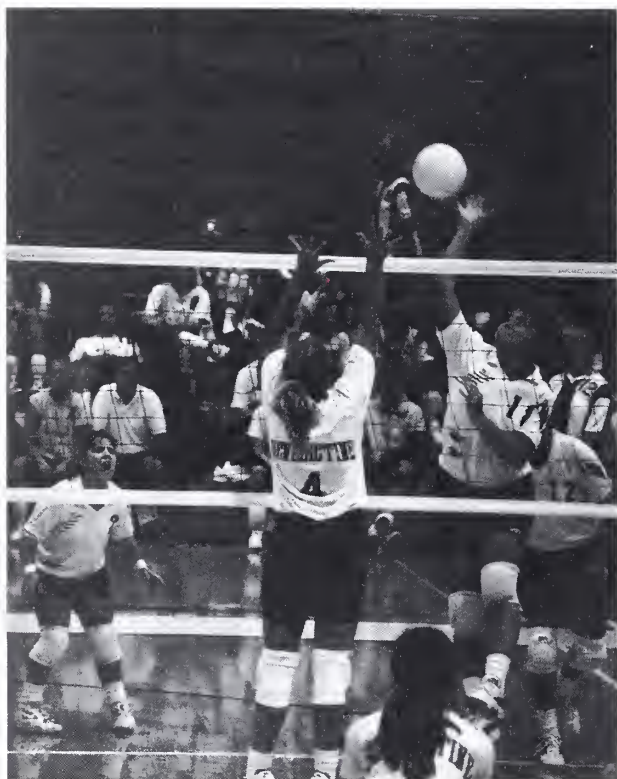

of competitiveness before each race and soothing bruised egos after tough races. Seniors April Tarpley and Matt McGreal are among the most talented in the Conference and repeated as Division III All-State selections.

Success is imminent for the young Bluejay Track team. Great off season conditioning, including dual sport participation, has a refreshing air of confidence circulating around the team. Head Coach Steve Piha hopes the team will follow the example of All-Conference shot-putter Amy Hodges and All-American sprinter Herb Washington to work their way to the top of the tough CCIW.

# Bluejay Volleyball

Pictured above (left to right): Head Coach Julie Hall, Assistant Coach Tom Dvoratchek, Head Tainer Tom Mollsen and Student Trainer Anahid Balian.

The Bluejay Volleyball season came to a close with a record of 9-31 overall and a CCIW record of 1-6. Despite their record, the year was filled with excitement. Head Coach Julie Hall took over for her first year at the helm of the team.

Alison Woods, a 5-10 senior outside hitter, brought her memorable, but injury-plagued career to a close. Woods missed the middle of the season due to various injuries. Alison finished the season with 146 kills/ 97 digs/ 38 aces.

Sara Dolan, a 5-6 junior setter, finished the season with 48 aces, 211 kills and 175 digs. Sara also had a team-leading 614 assists. Dolan received All-CCIW

Honorable Mention honors and was named WRSE-FM's Player of the Year. Just adding to the honors she received, she was named to the University of Wisconsin-Oshkosh and St. Mary's College all-tournament teams.

Kelly Butler, a 5-8 senior outside hitter, finished the 1994 season with a total of 320 kills, 148 digs and 35 aces. Butler repeated as the Bluejays' leader in the kills department.

Brenda Fairwood, a 5-10 senior middle hitter, finished the season with 143 kills and 38 blocks.

Teri Prestage, a 5-8 junior outside hitter, provided support up front. She finished the season recording

# Women's Basketball

Nowhere to go but up! This was true for first-year Head Coach Tom Cole and his 1994-1995 Bluejay Women's Basketball team.

After a winless campaign in 1993-1994, Cole took over the Bluejay reigns and began the rebuilding process.

Led by freshman guard Cory Braun's 23 points and 10 rebounds, the Bluejays snapped their 42-game losing skid on their home court with a victory over Webster University in the Bluejay Roundball Tournament.

Two games later, Braun and sophomore guard Ashley Beacom led the Bluejays to a victory over Grace College, ending a 30-game road losing streak.

Also contributing to the Bluejays' rebuilding process were returners Janelle Bullman and Jennifer Hoban and past letter-winner Megan Willrett.

Newcomers making an impact on the court included junior Michele Mueller and freshman Angela Skezas.

# ***Greek Life***

---

Alpha Phi, Alpha Phi Alpha, Alpha Kappa Alpha, Alpha Tau Omega, Gamma Chi, Delta Chi, Sigma Kappa, Tau Kappa Epsilon, and now Delta Theta Pi. Greek life at E.C. provides a new and interesting way to get involved on campus. There are dances, social events and Greek Games that take place randomly throughout the year. Though when you pledge you may not realize it, Greek life provides a sister and brotherhood that will last a lifetime.

Whatever you choose, you will feel it become a part of you. Being a Greek will always provide you with a special place where you belong. Though times will change and you will move on and lead different lives, you can always return back to that special place.

At Elmhurst College, you can join either Alpha Kappa Alpha Sorority, Alpha Phi Sorority, Alpha Phi Alpha Fraternity, Alpha Tau Omega Fraternity, Delta Chi Fraternity, Delta Theta Pi Sorority, Gamma Chi Sorority, Sigma Kappa Sorority and Tau Kappa Epsilon Fraternity. Students can also become involved with the Interfraternity and Panhellenic Councils.

# ***Seniors***

Four years sure passed by incredibly fast!!!! We watched ourselves grow and mature along with the Elmhurst College community. As we each take different paths to our future, we will always look back with fond hearts upon our Alma Mater.

# *Performing Arts*

---

Elmhurst College has many wonderful and talented performing groups on campus. Just look anywhere and they will easily be seen. If you have not seen or heard any of these performing groups, glance through the next several pages and see what you have been missing.

Each year, Elmhurst holds the Elmhurst College Jazz Festival. The festival began in 1968 and is a major event during the winter. During the final weekend of February, Elmhurst College hosts college and university jazz bands, combos and vocalists from all around the Midwest.

Some of the performing groups at Elmhurst College are the Jazz Band, Choir and Chamber Singers, Vocal Jazz, Late Night Blues and the newest performing group on campus, Blue.

The Elmhurst College Choir is open to any student that qualifies through an audition.

The Elmhurst College Community Band consists of students and musicians from the community. The Elmhurst College Vocal Jazz Ensemble is an organization that performs a wide range of contemporary vocal literature. They are better known on campus as Late Night Blues. The Elmhurst Symphony Orchestra performs frequently in Hammerschmidt Chapel. The Orchestra consists of people from surrounding communities as well as students at Elmhurst College.

# Orchesis

Orchesis is a performing group that works entirely on its own. The troupe members not only perform their dance review, they also choreograph their routines. Orchesis is open to anybody. No prior experience is needed to join this exciting dance troupe.

# ***The Campus***

Part of the beauty of Elmhurst College is the campus. All year long, the campus is in exquisite condition. From the original brick buildings to the state-of-the-art modern buildings, Elmhurst College is a sight that people do not forget.

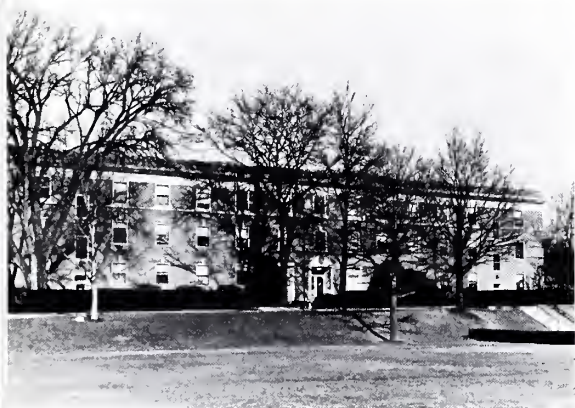

Top left: Old Main was built in 1878 and renovations took place in 1978 and 1994. Old Main contains classrooms and faculty offices. Old Main is the only building in Elmhurst on the National Register of Historic Places. Below: Memorial Hall, formerly Memorial Library, was built in 1921 to honor the 900 young men of the Evangelical Synod who died in World War I. After the completion of Buehler Library, the Diecke Center for Nursing Education and Center for Continuing Education are now housed here. Bottom left: Hammerschmidt Chapel was completed in 1959 and renovated in 1993. The Chapel has a large auditorium for worship and assembly, prayer chapel, classes and faculty offices.

Above: The newly renamed Frick Center contains Career Services, the Dean of Student Affairs, Residence Life and Student Activities offices. The building was named for former President Ivan Frick.

Top right: The Computer Science and Technology Center was opened in 1988 and houses the Mathematics, Computer Sciences and Information Systems, Foreign Languages and Literatures and Geography Departments. Middle right: Dinkmeyer Hall is an all-male residence hall. Dinkmeyer offers a suite-like living arrangement. Schick Hall is a coed residence hall. Originally called South Hall, Schick was renamed for former President Schick. Bottom right: Stanger Hall is an all-women's residence hall. Stanger is the newest of the four residence halls. Below: Goebel Hall was formerly a gymnasium. Today Goebel houses the Dean of the College offices, Student Accounts, Registration and Records, Advising and Financial Aid Offices.

Above: Niebuhr Hall, a coed residence hall by floor, is located just north of the Frick Center. Niebuhr is named for the famous theologians Reinhold and H. Richard Niebuhr, both alumni of Elmhurst College.

# ***Residence Life***

---

---

As a resident student your life is now centered upon a building with a number of other people just like you- all discovering exactly what it's like to live together as a community. The Residence Hall Directors and Resident Assistants are available to assist you in making this a smooth adjustment. I bet you never thought a bunch of strangers would become just like members of your own family, did you?

# Clubs & Organizations

When it comes to clubs and organizations, Elmhurst College has something for just about everyone. For the budding young journalists, there's the campus newspaper, *The Leader*. For those with an interest in geography, there's the Geographical Society. If you're into psychology there's the Psychology Club. For those up-and-coming radio DJs, there's WRSE-FM. For those who want to get involved with student government, there's Campus Life Council or with campus programming, there's Union Board. For those with musical ability, there are at least seven instrumental and vocal performing groups. For future movie stars, there's the Elmhurst College Theatre. For those of you who are good in biology, music, math or theatre, there's Beta Beta Beta, Lambda Sigma Psi, Pi Mu Epsilon and Theta Alpha Phi. Want to learn about what goes into putting together and publishing a yearbook? Then join *The Elms*, the Elmhurst College yearbook. These are just a taste of the many clubs and organizations Elmhurst College offers.

### Alpha Epsilon Delta

Pre-dental or pre-medical students with 3.0 averages in the sciences and in the top 35% of their class may be elected. Alpha Epsilon Delta encourages excellence in scholarship, familiarizes students with medical fields and assists with preparation for medical schools.

### Alpha Mu Gamma

Alpha Mu Gamma is a foreign language honor society recognizing superior work in the field of foreign languages, in order to stimulate the desire for linguistic attainment and to encourage study of foreign languages, literature and culture.

### American Chemical Society-Student Affiliate

The purpose of ACSSA is to instill pride in chemistry. All students in chemistry are welcome to join.

### American Marketing Association

The purpose of the AMA is to promote marketing within the Elmhurst College campus. Along with meetings, members participate in activities on and off campus.

### Beta Beta Beta

This is the biology recognition society. Beta Beta Beta sponsors camping and field trips and supports an animal at the Brookfield Zoo.

### Black Student Union

This is an organization of students that works together throughout the school year to promote awareness of minority issues.

### Business and Economics Club

The students who join learn about the intricacies of the business world from lecturers and other business cronies. B&E Club also schedules several campus events.

### Campus Crusade for Christ

The Campus Crusade for Christ is an interdenominational Christian organization.

**Above: Members from Power-Up. Below: Members of NSSLHA.**

They seek to stimulate students by providing a number of different environments in which they can interact about "spiritual things."

### Campus Life Council

The Campus Life Council (CLC) is the student government of Elmhurst College.

Its purposes include making policy recommendations to all levels of the College administration. It also recognizes campus organizations and reviews matters of importance to the general welfare of Elmhurst College.

**Above: Members of The Leader. Below: Members of the AMA.**

**Campus Ministry**

This organization works with the Chaplain's Office and other campus religious groups to coordinate religious life and programming of the College.

**Christian Science Organization**

Mary Baker Eddy developed this religious system in 1866. The Elmhurst College chapter was reactivated in 1979.

**Delta Mu Delta**

The future Captains of Industry make up this group's membership. This is an honor society in business administration. Delta Mu Delta is open to all business and economics majors with 17 credits, a 3.2 or better GPA and who are in the top 20% of their class.

**Early Childhood Network**

This organization was founded by students interested in the development and well-being of the young child.

**EC Democrats**

This organization was designed for students interested in the Democratic Party.

**Elmhurst College Volunteer Center**

Often known as ECVV, this organization provides volunteers from the College Community. Programs include the Lions Club Candy Day, Border Babies, food baskets and senior citizens' "Chore Days."

**The Elms**

The Elms, the Elmhurst College Yearbook, is a source of great memories throughout the school year. Of course, you can also look at it as a book full of black-and-white pictures, but we think you'll get more out of it if you look at it as something which allows you to reminisce of all that happened throughout the year. The Elms staff works hard throughout the year, snapping pictures of just about everything that goes on at the College, and putting it together so that it looks good and has nostalgic value.

**Gamma Theta Upsilon**

This international geography honor society strives to further professional interest in geography by providing activities other than those found in the classroom.

**Geographical Society**

The goal of this group is to further professional interests in geography by

providing a common organization for all people interested in this field.

## HABLAMOS

HABLAMOS is Elmhurst College's organization dedicated to the celebration and acknowledgment of Hispanic heritage. There is just one burning question: WHAT DOES HABLAMOS STAND FOR?? Other than that, HABLAMOS (TO SPEAK in English, for those who don't know) exists to create a well-integrated and beneficial environment for everyone at Elmhurst College.

## Intercollegiate Athletic Council

The purpose of the Athletic Council is getting representatives from all the intercollegiate teams and discussing issues concerning athletics on campus.

## Interfraternity Council

The IFC is the governing body for all fraternities. Members from each group join the Council and determine policies for the member organizations and work with Panhellenie on campus-wide programs.

## International Club

The International Club sponsors activities related to courses from the Department of Foreign Languages and Literatures. Some activities include sampling of ethnic food and a Mardi Gras celebration.

## J-Board

The J-Board is a judicial board for handling violations of student disciplines.

## Kappa Delta Pi

Students majoring in the field of education may be honored to join this honor society.

## Lambda Sigma Psi

Lambda Sigma Psi is a musical recognition society.

## The Leader

*Take me to your Leader...* *The Leader*, the Elmhurst College newspaper, is the place to

Above: The Campus Life Council. Below: Union Board

find out what is going on in and around the College campus. The staff of *The Leader* is dedicated to bringing the College Community up to date on the latest news.

## Math/Computer Science Club

In gatherings that allow students to learn from and associate with their professors

outside the classroom, this group paved the way for the formation of a national mathematics recognition society, Pi Mu Epsilon, at Elmhurst College.

## MENC

The Music Educators National Conference promotes awareness of the music field as a

# Thank You

I would like to take the final page of this yearbook to thank everyone that contributed. Production of this yearbook would not be possible if not for the help of these people.

The following is a listing of everybody that contributed through photography, writing copy or designing page layouts. Thanks to Stacey Weiss, who returned for her second year as Advisor to the yearbook, Megan McGuire, our Representative from Herff-Jones, Carl Bodenshtab, Dixie Chu, Kirsten Carlson, Rebecca Marcus, Ken Hanlon, Emily Vaupel, Barb Meyz, Shera Rettig and Scott LaMorte. Special thanks goes out to Kristin Whitehurst and everybody in Public Relations for allowing us to dig through their pictures.

Truly, without the help of these people and the support of Campus Life Council, the production of this yearbook would not be possible.

Since I am graduating in May this year, I would also like to thank everybody that made my four years at Elmhurst College very interesting. Unfortunately, I cannot share everything, but here

is listing of some interesting people that I met along the way.

There was "Mr. Salty," the only person I know that had a full size X-mas tree in his room (which was in the little trash shoot by Thanksgiving).

There was Bill Vasquez and his fascination with Lemmings and a "pre-REE-quisite."

A phone being ripped off the wall and Jason Alden wielding a seven iron, "You wanna play!"

Scott LaMorte and myself sitting in Desktop Publishing for two weeks learning how the Macintosh works while our instructor was stranded on I-55, "On, Off, On and Off."

Then of course Dave Granat and his trademark line, "Shut up...."

There was Opening day for the Cubs in 1992 when Mark Hitt brought headphones to class. They were set a little too loud. Dr. Brehob asked, "Who's winning guys?" All we could say was, "Cubs are, Mark Grace hit a homerun."

The entire semester in Fern Logan's class where Aram Osner and I kept changing the sound effects on her computer, "You want fries with that? Yes!

Cubbies Are Rockin'!"

How about when Paul Green screamed at the top of his lungs in Tortilla Flats. I had never seen so many heads turn at once.

During my Junior year, Mike Aronow, Jerry Robinson and Scott LaMorte called my room all night claiming to be Frank Thomas, Joey Cora, Robin Ventura and other members of the Chicago White Sox. Being a Cub fan, I could not find it in my heart to travel to Comiskey Park. Or maybe it was an art project that kept me from going. Thanks to these guys, and Amber, for helping out on my radio show over the last two years.

Once again, thanks to everybody involved with the yearbook. I wish the best of luck to *The Elmhurst* staff for the 1995-1996 school year. I am glad that I was part of the rebuilding era of the yearbook and hopefully the yearbook will continue into the future. And on a final note, AL YOU STILL HAVE MY SEINFELD TAPE!
